The Parents/Guardians of Day & Weekly Boarders of Class 9 and 10th students

Dear Sir/Madam,

Sub: Extra Academic Support to the Class 9 & 10 students for the ICSE

We intend to provide requisite and appropriate academic structures to the students of Class 10 and 12 right from the beginning of the academic year so that they are academically better equipped to take the Indian Certificate of Secondary Examination (ICSE) and Indian School Certificate (ISC) respectively much more confidently.

Keeping the above in mind we propose to discontinue the day and weekly boarding system of all the present Class 9 and 10 students for the next academic year. Such students will need to become yearly residential students of the school during the next academic year, viz. in Class 10 and Class 12 respectively. This step is being taken as part of our commitment to provide a child centric support to our students and unless the children are with us as boarders we are not able to plan the requisite measures appropriately.

Thanking you,

Yours sincerely,

(Sundar Gandikota)
