Dear and Respected Parents/Guardians,

**Sub: Unique Birthday Celebration-Sensitization towards the needy and deprived.**

**Ref: Our letter dated 20<sup>th</sup> July 2009.**

As you are aware many of your children, whose birthdays were solemnized during the recent past, decided to forego distribution of cake on their birthdays and volunteered to contribute an equivalent amount for the welfare of the deprived people of our neighborhood instead. We are pleased to let you know that out of the students' birthday fund our school has arranged to purchase and install an inverter in "Adharathirtha Ashram," a nearby centre for deprived kids. The cost of the equipment was of around Rs. 16000.

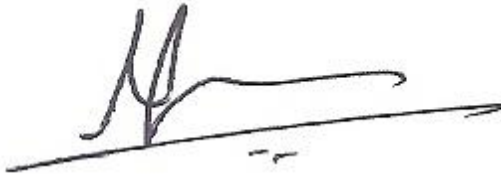

We are taking the initiative of our students further in organizing a camp in one of the tribal villages through Sri Ramakrishna Arogya Sansthan, Triumbakeshwar on the 29<sup>th</sup> November, 2009 (Sunday.)

We would like to invite the parents of the students to participate in the program if they like to. The parents desirous of participating in the program may please reach the school premises by 8.45 AM on the 29<sup>th</sup> November 09 after having their breakfast. Simple lunch will be arranged at the shibir site by the villagers. The program is expected to end by 3 PM on the same day. Children need to come back to the school directly from the camp site in the school vehicle. Parents will have to go back home after the program directly from Triumbakeshwar.

We would look forward to your views about the program so that we can fine tune our educational approach as required based on your feedback.

Thanking you,

Yours sincerely,
