Subject: Re: Circular of Mid-Term Break

Dear Sir,

I acknowledge with thanks the receipt of Mid-Term Break circular. Effectively the break will be of 2 days which can not be termed as Mid-Term break (its only 2 days holidays on the eve of Raksha Bandhan). Ideally this Mid-Term break shall be extended till 9th August & the boarders shall be asked to report by 5-00PM on Sunday the 9th August, 2009.

This 2 days break will NOT serve any purpose on the contrary our children will get drained or exhausted & this break will make them completely tired in the traveling time itself, they will not be able enjoy this break time with family, relatives & friends. Hence I hereby request you that either you shall revoke this Mid Term break Circular & let the School function normally OR Extend this Mid Term break will 9th August, 2009 till 5-00PM as suggested above by me.

Thanking you once again & looking forward to the pleasure of hearing from you soon on the subject.

With kind regards,

Sd/-

Jagdish Shambwani.

*Reply from school to the above letter.*

Dear Sir,

Thank you for your letter dated 19th instant, sent over email.

In residential schools the concept of short term break is not applicable for reasons known to you.

However, because many of our present parents are from the neighborhood and the concept of residential schools is new for all us we had introduced the idea at the time of inception of the school. We are reviewing applicability of the same for the future.

We appreciate your view point, that the break is too short for children who need to travel more than a couple of hours. All such children are most welcome to stay back on campus. Many of our teachers will be on campus and we will take of the children in interesting ways.

We request you to please let us know whether Harsh would like to stay back on campus during the break.

Your letter raises an important matter and this is the culture we want to establish between the parents and the school.

Will you allow us to send a copy of your letter to all the parents as part of our ongoing exchange with them please?

With warmest regards and thanks for the exchange.

*Consent of Mr. Jagdish Sambhawani for the school to send our correspondence to others*

Dear Sir,

Thanks for your response & appreciating my view point. I can understand that it is very difficult for you to revoke this mid-term break circular, but in future please do not break just for sake of having break. It's simply not practical.

Of course you can show our ongoing communications to parents of other students since the matter has to be addressed & understood properly by all concern which is good for future of our school & children.

On another front I would like to inform you that Harsh will stay back at School during these 2 days holidays. It's my suggestion if you can plan an outing/picnic or movie for the children who are going to stay back during this break since this will give them feeling that in spite of not going with family/ friends, they have enjoyed holidays being in the School campus.

With best regards,
